

KULTURFABRIK

A choreographic walk

workshop with Tania Soubry

July 12th

In the framework of the artist residency Squatfabrik #3 | 2025 | June 16th to July 13th
Tania Soubry LU & Naomi Feigelson FR

➔ Get Out of the residency July 11th 18.30 @Kulturfabrik

You are warmly invited to join Tania Soubry on July 12th, from 2pm to 5pm, for a choreographic walk-workshop as part of her ongoing research during Squatfabrik's artist residency. Together we will move through the Giele Botter crater, weaving storytelling – such as of extraction, echoing across distances both temporal and spatial – with embodied practices such as listening, movement and voice, attuning ourselves to the land and entering into creative dialogue with its ecologies.

July 12th / 2pm to 5pm

Free event | age 16+ |

In Luxembourgish, French, and English

The path is unfortunately not accessible to those with reduced mobility

Meeting point | parking next to the cemetery of Petange, location 49°33'02.6"N 5°52'36.4"E

Wear weather-appropriate clothing // bring some water, and a snack if you wish
